## Third show in the wind

GOLD Coast's DJ brothers Matt and Chris Stafford and their television show producer Wes Denning caught up for a meal at Teppanyaki restaurant Benihana's on Monday night to celebrate the successful debut of their hit pay TV reality series.

With series two now airing on Fox8, Denning, now based in Los Angeles and the brothers head to Miami (in the US) after their Australian commitments end with a gig at Futuremusic (a festival) late this month.

The trio was apparently nutting out the details for a proposed third series of the reality TV show which follows the brothers as they perform at some of the world's hottest clubs and festivals.
